~Cable business secured its first order for supply of Transmission Conductors for EHV networks

Mumbai, March 22, 2024: KEC International Ltd., a global infrastructure EPC major, an RPG Group Company, has secured new orders of **Rs. 1,004 crores** across its various businesses:

[Transmission & Distribution \(T&D\):](#)

The business has secured orders for T&D projects in India and Americas:

- Composite order for construction of transmission lines, substations and underground cabling in India
- Supply of towers, hardware and poles in Americas

[Civil:](#)

The business has secured an order for a residential project from a renowned real estate developer in India.

[Railways:](#)

The business has secured an order for 2 x 25 kV Overhead Electrification (OHE) and associated works for speed upgradation in India.

[Cables:](#)

The business has secured orders for supply of conductors and cables in India:

- Maiden order for supply of power transmission conductors (ACSR and AL-59) from a reputed government utility
- Supply of various types of cables

Mr. Vimal Kejriwal, MD & CEO, KEC International Ltd. commented, *“We are happy with the new order wins across our business verticals, especially the breakthrough order for supply of power transmission conductors. This accomplishment aligns with our strategy of backward integration and capitalizing opportunities within the continuously growing demand for power transmission conductors globally. The consistent inflow of orders in T&D has significantly bolstered our order book, particularly within India. Our Civil business has further widened its presence in the residential segment with the addition of an esteemed client. We are also enthused with the Railway order in the Semi High-Speed Rail under Mission ‘Raftaar.’ With these orders, our YTD order intake stands at ~Rs 17,500 crores.”*
